MEDICINAL.
ASSIST NATURE.
Little now and then, with a gentle, cleansing laxative, thereby removing offending matter from the stomach and bowels, and toning up and invigorating the liver and quickening its tardy action, and you thereby remove the cause of a multitude of distressing diseases, such as headaches, indigestion, biliousness, skin diseases, boils, carbuncles, piles, fistulas and maladies too numerous to mention.
If people would pay more attention to properly regulating the action of their bowels, they would have less frequent occasion to call for their doctor's services to subdue attacks of dangerous diseases.
That, of all known agents to accomplish this purpose, Dr. Pierce's Pleasant Pellets are unequalled, is proven by the fact that once used, they are always in favor. Their secondary effect is to keep the bowels open and regular, not to further constipate, as is the case with other pills. Hence, their great popularity with suffering people from habitual constipation, piles and indigestion.

NEW POSTAGE STAMPS.—Important changes in the denominations of postage stamps are contemplated by the Post-office Department. The principle ones are in the newspaper and periodical series, but the regular series is also to be altered. Of the latter, the ones, two, three, four, five, six, eight, ten, and fifteen, which are now in use, will be continued. The present thirty and nine-cent ordinary stamps probably will be discontinued, and fifty cents and one, two and five-dollar stamps will be added to the series. It is intended to reduce the number of the denominations of newspaper and periodical stamps from 24 to 12 or 13. The dollar stamp now printed for the first time by the Bureau of Engraving and Printing is the doubtful one, but it will probably be finally decided on favorably to its continued use. The denominations of the series, either now printed by the bureau for the first time, or to be issued later, are five, twenty-five and fifty cents and \$1, \$2, \$5, \$10, \$20, \$50 and \$100.
Those to be dropped out of use are 3, 4, 6, 8, 12, 24, 36, 48, 60, 72, \$4, \$6, \$12, \$20, \$30, \$50, \$100, \$24, \$36, \$48, \$60, \$72, \$84, \$96, and \$100.
The postage due stamps have been re-engraved under the present contract and slightly reduced in size from the former output of the contractor.
All of these changes have been practically approved by the officials, subject, however, to modification if deemed advisable.

THREE TIMES AND OUT.—A gentleman living out on College street drove down to the city the other evening after his wife, and not finding her started home again. After leaving the city he saw a lady walking along in the street ahead, which he took for his better half. Riding up to her, he said:
"Get in," when she turned a strange face up to him and answered: "Thank you sir; you look all right, but I don't know you."
He apologized and drove on, when he saw another lady walking on ahead. This surely is she, he thought, and approaching her in the dark, said: "I've been looking for you. Will you ride home with me?" "I guess that you have made a mistake," she said, as she looked up. Again he apologized and drove on.
It does not sound like fact, but he did see another woman walking home along the city road, when he approached, saying rather tartly: "Come, wife, get in." "I've been making a fool of myself all the way up," she likewise proved a stranger.

SPANKED HIS GROWN DAUGHTER.—For some infringement of the household rules the other day Farmer Joseph Hegeman, of Northport, L. I., laid his eighteen-year-old daughter, Rosina, across his knee and spanked her soundly. Then he sent her weeping to her room. Rosina didn't like this method of punishment, and she told her lover, Chas. Hesseman, who is employed in one of the village bakeries. She escaped from the house and lost no time in getting to New York. On her return Papa Hegeman attempted to repeat the spanking. Just as he was about to begin operations in popped Hesseman. He waved a marriage certificate under the nose of the old man and warned him to withhold his upraised hand. Farmer Hegeman was amazed. The bride slipped off his knee and clung to her young husband. The farmer decided that it would not be well for him to repeat the spanking, and the young couple departed.

THE BREATH OF A CHRONIC CATARRH patient is often so offensive that he becomes an object of disgust. After a time ulceration sets in, the spongy bones are attacked, and frequently destroyed. A constant source of discomfort is the dripping of the purulent secretions into the throat, sometimes producing inveterate bronchitis, which is usually the exciting cause of pulmonary disease. The brilliant results by its use for years past properly designate Ely's Cream Balm as by far the best and only cure. Call upon your druggist for it.

Tired, Weak, Nervous Could Not Sleep.
Prof. L. D. Edwards, of Preston, Idaho, says: "I was all run down, weak, nervous and irritable through overwork. I suffered from brain fatigue, mental depression, etc. I became so weak and nervous that I could not sleep. I would arise tired, discouraged and blue. I began taking Dr. Miles' Nervine and now everything is changed. I sleep soundly, I feel bright, active and ambitious. I can do more in one day now than I used to do in a week. For this great good I give Dr. Miles' Restorative Nervine the sole credit."

DRY GOODS.

Slaughter Continued.
The people of Alexandria know a good thing when they see it. They saw the prices that were put on the immense stock of

Dry Goods, Notions, Fancy Goods, &c., and they caught on at once. They came in flocks, in crowds, in troops, and when they saw what we were doing and realized the IMMENSE SACRIFICE that was being made, they waded right into the good things and every one secured a prize. At this SLAUGHTER SALE you can't go wrong. Whatever you buy is a bargain which cannot be duplicated for double the money. YOU DRAW A PRIZE EVERY TIME—THERE ARE NO BLANKS.

Some good things are gone, but there are many still here. Those who couldn't get to see us last week missed some good opportunities. But we are still going to give them a chance to get even. We have made another STUPENDOUS REDUCTION in the prices of the goods left. This sounds impossible, but it is true nevertheless. We want everything cleared out from top to bottom, and the way we are going to do it is by giving to each person three times as much for his money as could be gotten elsewhere for the same sum. We have plenty of choice fabrics yet on hand, which, if the business had to be wound up, would command full price to-day from every man, woman and child who needs them. These very same goods we reduce this week to less than one-half of their market value. Why, it would pay you to lay in a stock for future use.

It's like saving up so much money in bank; you will have to have the goods some time, and you will have then to pay 100 cents on the dollar for them. Why not buy them now and thus effect a great saving? A PENNY SAVED IS A PENNY MADE. This is an old saying and a true one, and if you want to save good hard dollars in these hard times call at
